2. Space Assignment

General booth sales will begin on December 7, 2018. Contracts are assigned booth space on a first-come, first-served basis. Such suppliers can provide all show services other than supervision, services provided by the general contractor, and the exclusive services of the Convention Center.

12. Union Information

To assist you in planning your participation in your show, we are certain you will appreciate knowing in advance that union labor will be required for certain aspects of your exhibit handling.

Decorators Union

Members of this union claim jurisdiction over all set up and dismantling of exhibits including signs and laying of carpet. This does not apply to the unpacking and placement of your merchandise. You may set up your exhibit display if one person can accomplish the task in less than one-half (1/2) hour without the use of tools. If your exhibit preparation, installation, or dismantling requires more than one-half (1/2) hour, you must use union personnel supplied by the Official Decorating Contractor. As an exhibitor, you will be pleased to know that when union labor is required, you may provide your company personnel to work along with a union installer in Southern California on a one-to-one basis.

Teamster Union

Members of this union claim jurisdiction on the operation of all material handling equipment, all unloading and reloading, and handling of empty containers. An exhibitor may move materials that can be carried by hand, by one person in one trip, without the use of dollies, hand trucks, or other mechanical equipment.

Electrical Union

Members of the IBEW claim jurisdiction for hard wiring ordered outlets to the line side of the exhibitors' equipment and wiring of caps over 120 volts, to the raw cord feeding exhibitors' equipment. All plugs over 120 volts will be plugged in by electrical union personnel. Exhibitors may plug in their own plugs of 120 volts to their ordered outlets.

Press conferences by Exhibitors on the Expo Floor during Expo hours are prohibited. All press conferences must be coordinated with the Council's Communications Department.

15. Hotel Guidelines

- Suites are available at many of the Congress hotels. In keeping with the character of the Expo as a working convention, and so as not to interfere with attendance, **Exhibitors may not provide group entertainment in suites or other facilities during Expo Hours.** Only firms exhibiting in 2019 are entitled to suites in the Congress hotels. All requests must be processed through the exclusive housing provider, onPeak; Exhibitors are not permitted to contact Congress Hotels directly.
- Advertising in the hotels is not allowed unless written permission is granted by Show Management.

16. Meetings and Other Group Functions

- a. Only firms exhibiting in 2019 and using NSC's housing service are entitled to meeting space in the Congress hotels.
- b. Meeting space for events (meetings, receptions, etc.) is available at many Congress hotels during non-Expo hours only. A space request form will be sent under separate cover for exhibitors to request meeting space at a hotel. We encourage you to secure space before June 2019 to help ensure availability as it is first-come.

17. Endorsements

The Council does not approve, endorse or recommend the use of any specific commercial products or services. The Exhibitor may not, therefore, state or imply either verbally, or in printed literature, that his product or service is approved, endorsed or recommended by the Council.

18. Enforcement of Rules and Regulations

- a. Violations of the 2019 Terms & Conditions, Display Regulations and/or Rules & Regulations may result in the reduction of seniority rights (i.e. loss of priority points, rank) for space selection at the 2020 NSC Congress & Expo.
- b.
