## NSC SAFETY TECHNOLOGY PAVILION SPACE APPLICATION & AGREEMENT

### NSC Safety Technology Pavilion Criteria

1. The safety product/service needs to be applicable to the safety industry. If you feel your technology would help workers stay safe in their work environment, then you would be a good fit.
2. Never participated at NSC Safety Congress & Expo.
3. Products displayed must be new to the majority of attendees at NSC Safety Congress & Expo.
4. Ideal but not limited to companies in Startup mode.
5. Your product or service needs to be innovative and new to the safety industry.
6. You must have the product or service available to demonstrate, not just in conceptual stages.
7. You must be able to show display or demonstrate the product / service under their own name.
8. Companies can only exhibit in the Safety Technology Pavilion for one year.
9. Companies' participation subject to review.

\*Additional Display Products and Services Available for Rental
