Sept. 16-18 and 21-22

Congress & Expo
Sept. 19-21

Dear

I would like to attend the 2022 NSC Safety Congress & Expo, the world’s largest annual event dedicated to workplace safety, Sept. 16-22, in San Diego. By participating, it enables me to see, first-hand the solutions from more than 700 of the industry’s leading solution providers.

I can also attend a number of keynotes and educational sessions that are directly applicable to my work. In addition, it will allow me to network with thousands of safety, health and environmental professionals from around the world.

After reviewing the 2022 NSC Safety Congress & Expo program, I have identified a number of exhibitors and sessions that will allow me to gain knowledge and understanding about how we can improve our safety program and cut costs. The sessions are facilitated by industry experts who have overcome similar challenges. Getting the information first hand will greatly reduce the research time and costs we would normally incur in researching the topics.

Here are some of the key exhibitors I would like to see:
